

# Download File PDF Costing Techniques

#Jenny

*Finally I get this ebook, thanks for all these I can get now!*

#Rio

*Cool! I'am really happy*

#Markus Jensen

*I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook*

#Hun Tsu

*wtf this great ebook for free?!*

#Che Salsa

*My friends are so mad that they do not know how I have all the high quality ebook which they do not!*

#Diego Butler

*so many fake sites. this is the first one which worked! Many thanks*

## Costing Techniques

No.	Costing Technique	Description
1.	Marginal Costing	Charging variable costs to operations, processes or products and writing off all fixed costs against profits in the period in which they arise.
2.	Direct Costing	Charging all direct costs to operations, processes or products and writing off all indirect costs against profits in the period in which they arise.
3.	Absorption Costing	Charging all variable costs and fixed production overheads to operations, processes or products and writing off selling, distribution and administration overheads against profits in the period in which they arise.
4.	Uniform Costing	Using the same costing principles and / or practices by a number of firms in the same industry. Helps in inter-firm comparison, price fixation, cost control / reduction and seeking government tax relief / protection.
5.	Standard Costing	System which involves fixation of cost standards, ascertain variances of actual cost with standard cost, variance analysis and presentation for corrective action and decision making.
6.	Budgetary Control	System which involves establishment of budgets, comparison of actual with budget, variance analysis and corrective action.
7.	Historical Costing	Actual cost ascertained after it has been incurred.
